Customer Reviews

Since the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life. Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.

C.L. Fornari is a columnist, speaker, radio commentator, and author. She has lectured at the New York and Massachusetts Horticulture Societies, numerous garden clubs, and at flower shows from San Francisco to Rhode Island. She is host of "GardenLine" on WXTK radio. She lives and gardens on Cape Cod.

These little booklets are a great resource for me as a landscape designer to learn about different kinds of soil conditions and plant selections. I also give them to clients as a resource to help them maintain their landscape.

A small, brief pamphlet that outlines a bit of information, but sorely lacking in specific detail or suggestions, like a list of plants that would do well in a sandy garden. Even at it's low cost, it wasn't worth the price.

Helpful booklet for those who garden in Wisconsin (sandy soils) and other northern climates (i.e. coast of Maine). The plant lists do not apply to Florida, Texas or the southwest.
