Formerly British Honduras: A Profile Of The New Nation Of Belize

Synopsis

William Setzekorn weaves the folklore, facts, history, culture, economics and geography of Belize into an exciting mini-encyclopedia. His portrait of this proud new nation is painted with humor, gentleness, fact and empathy presenting a credible picture of modern day Belize. Reading with the ease and excitement of a novel it is more than a history book, a travelog or an encyclopedia giving the reader a feeling of kinship with the struggles and joy of this tiny new nation. A mixture of Africans, Mestizos, East Indians, Europeans, Syrians, Lebanese, Mayans, and Chinese; Belize has grown into a heterogeneous mosaic of a strong and brave country which is no bigger than Cambridge, Massachusetts. Studying the influences of British domination and Spanish intimidation up to the recent movements for self-government and independence, Setzekorn presents to the reader an accounting of Belizean social and political vicissitudes—a long and tortuous, yet coherent, struggle for national and cultural identity.

Book Information

Paperback: 299 pages

Publisher: Ohio University Press; 2 edition (July 1, 1981)

Language: English

ISBN-10: 0821405683

ISBN-13: 978-0821405680

Product Dimensions: 5.5 x 0.7 x 8.5 inches

Customer Reviews

This book is extremely outdated. I should have realized this before I ordered it though because the title refers to the "new" nation of Belize, and Belize became an independent country in 1981.
