Art Across Time, Vol. 2: The Fourteenth Century To The Present, 4th Edition

Synopsis

Art across Time combines sound scholarship, lavish visuals, and a lively narrative to provide students with a comprehensive, accessible, and engaging introduction to Art History. Popular with majors and non-majors alike, the text offers readers more than a chronology of art by placing each work within the time-and-place context within which it was created. Encountering and interpreting a work of art in context offers the reader the richest possible experience of it. Large scale and high quality visual reproductions of artworks are often presented from multiple perspectives to enhance visual appeal and allow students to view details and elements of composition with greater ease. A thoughtful pedagogical approach helps students consider what they are viewing.

Laurie Schneider Adams received a Ph.D. in Art History from Columbia University. She is Professor Emerita of Art History at John Jay College, City University of New York, where she taught art survey, and at the Graduate Center, where she taught courses on the Italian Renaissance and on Art and Psychoanalysis. She has published articles on iconography and on art and psychology. She is the editor of *Giotto in Perspective* and of the journal *Source: Notes in the History of Art*; the author of *A History of Western Art*, *The Methodologies of Art*, *Art and Psychoanalysis*, and *Art on Trial*; and co-author (with Maria Grazia Pernis) of *Federico da Montefeltro and Sigismondo Malatesta: The Eagle and the Elephant* and of 5 children's books (with Allison Coudert).

great needed it for school

This book was exactly what I needed for my Art History class. It was easy to read and had lots of great visuals. Overall, I loved this!

Our professor stated this book had the best images out of all the references he has looked at. Pretty high praise I think! There are some inconsistencies though with some of the subjects and which time period they represent.

This was a "Used Text" and shows evidence of use (pages dog-eared) but it's for a class and has worked out just fine for me. I don't have to stress out it being dropped! ;)

college required book

Good book!!!!

It is perfect and from now on, I will be renting my books for school with !

Beautiful book. Used for university art class.
