Customer Reviews

AST endorsed study guide for the national surgical technologist certifying examination.

Really good book....I get this and helps you to study for the AST certification. I feel prepared for this test.

Great price on book. Information in this book was what I needed to pass state exam. Study guides helped out alot.

I have bought this book and I got alot from this book it helped me with studying for my license as an,AST love this book.

I did not find this book as useful for the CST exam as I did the A & L book was much better.

This guide will be invaluable in preparing for the exam. All important areas are covered in detail. study areas are complete.

Helpful

Out of date information

LOVE IT... REALLY CLEAN !!!!
