Customer Reviews

Very Informative and asks and answers the questions that a researcher would have. It reveals how our worship turned away from the one true God and how it continues to manifest today.

My expectation were met with succient information.

Very informative book a primer for up and coming historians. Straight to the point with out a lot of fillers or opinions.

God, source has no color. How spiritual are you to add race??? Yes, Bible tells stories of pagan gods From other counties, Egyptian, middle east but that isn't the point. Somebody needs to read the 10 commandments. Jesus said god is within. So idols are bye bye. Ascension.

Listened to via audible. Great read!
