# 6 Below: Miracle On The Mountain

## Synopsis

In this riveting first-person account, former Olympian and professional hockey player Eric LeMarque tells a harrowing tale of survivalâ • of how, with only a lightweight jacket and thin wool hat, he survived eight days stranded in the frozen wilderness after a snowboarding trip gone horribly wrong.

Known by his National Guard rescuers as â œthe Miracle Man,â • Eric recounts his rise to success and fame as a hockey player and Olympian, his long and painful fall due to crystal meth addiction, and his unbelievable ordeal in the wilderness. In the end, a man whose life had been based on athleticism would lose both his legs to frostbite and had to learn to walkâ • and snowboardâ • again with prosthetics. He realized that he couldnâ ™t come to terms with his drug addiction or learn to walk again by himself. He had to depend on God for his strength. Now an inspirational speaker committed to raising awareness for the dangers of drugs and crystal meth, Eric, in 6 Below, confronts the ultimate test of survival: what it takes to find your way out of darkness, andâ • after so many liesâ • to tell the truth and, by the grace and guidance of God, begin to live again.
