Bavarian Crochet: Learn About Bavarian Stitches And Patterns And Make 15 Cute And Easy Projects: (Crochet Patterns, Crochet For Beginners) (Crochet Books Patterns, Cute And Easy Crochet)

Synopsis

Bavarian Crochet Learn About Bavarian Stitches and Patterns and Make 15 Cute and Easy Projects Surprisingly enough, the term Bavarian crochet doesn't refer to a kind of crochet from a particular area. Rather Bavarian crochet refers to technique or a specific layout in crochet designs. This kind of crochet normally refers to crochet patterns that use Bavarian squares. While the second features shell stitches, one row is just clump. This technique allows crochet enthusiasts and their pieces to add textures that are interesting together as well as discover exciting and new ways to blend colors for eye-popping designs. This Bavarian crochet patterns permits you to make use of the complex design of the Bavarian square with six yarn colors that are different in order to make an eye-popping design that will look spectacular in your house. Pretty in pastels, this may make a fantastic small throw as well as a great baby blanket pattern to help keep in your living room for cold guests.

Customer Reviews

Can't understand the instructions. Either book has been poorly written in English or poorly

translated. I am sorry to leave such a bad review. But I purchased this book to learn Bavarian crochet and complete one of the projects in particular. However, the text makes no sense in many places, making it impossible to complete.

The introduction was so poorly written it equated sc with dc and then completely bungled the definitions. As a long-time, experienced crocheter, I learned more from a couple of photographs than any of the text. I only gave it one star so I could write the review - it really is a zero in my book.
