Customer Reviews

The Star Trek 2017 Daily Calendar is an entertaining collection of trivia and quotations from across the "Trek" franchise, with the exception of the most recent feature, "Star Trek Beyond." Paul Ruditis, author of a "Star Trek: Enterprise" novel, a "Trek" picture book and two reference works, has included brief biographies of characters from both the original and the Kelvin timelines (which coincide with the birthdays of the actors who played them), as well as production trivia, episode and film quotations and bits of Federation history for each day of the year. These calendars make perfect holiday gifts for the Trek fan in your life.

My boyfriend is a Treky & loves it. What else can I say?

It's a calendar, not a book. And I'm a doctor, not a calendar.

Happy with purchase

Its O.K. I thought it was a full size calendar

I buy this every year. Great Star Trek quotes from all shows, one every day!

As advertised.
