Brooklyn Beckham: What I See

Synopsis

A glimpse behind the scenes into the life of Brooklyn Beckham through his own words and featuring a highly curated collection of his own photographs. Sometimes described as the world's most popular teen, Brooklyn Beckham has a massive social media footprint with over 9 million followers of his Instagram alone. As a model he has appeared in New York Times Style Magazine and Man About Town, and as a photographer he shot the recent Burberry Brit fragrance campaign. What I See is Brooklyn's collection of around 300 personal photographs -- most shot by him but with some shots of Brooklyn taken by others -- offering a rare and intimate glimpse of the world through his eyes. This stylish and beautifully designed edition will be comprised of fan favorites as well as new and exclusive images from his personal archive. Each chapter tells a different story through pictures by and of Brooklyn, and each will be accompanied by captions and passages of text. What I See documents many of Brooklyn's travels around the world -- California, New York, Greece, and Iceland among other destinations -- as well as life behind the scenes at home with his family.

Customer Reviews

"In his first book *What I See*, the budding photographer offers a glimpse into his life through his own words and collection of personal photographs. The collection of around 300 photographs were mostly taken by Brooklyn but some shots were taken by others. It documents his travels around the world and his life at home with his family." *Real Clear Life* "Get an

exclusive look into the young photographer's life." - VMan.com "If there is one thing Brooklyn Beckham made clear in his first-ever photo book, it's that nearly half of his favorite pictures are of Brooklyn." - Daily News

Brooklyn Beckham is the eldest child of David and Victoria Beckham. What I See is his first book. Brooklyn has appeared on the cover of L'uomo Vogue, Miss Vogue (UK), Vogue (China) and Wonderland magazines.

I really want to put zero stars but it doesn't let me. To be fair, I didn't buy this book, I saw it in a bookshop. Perhaps Brooklyn would do well to go to college and study photography and then try again. This reminds me of a middle school effort printed via a photography site for a grandparent birthday gift

This kid has no talent. Just trying to make money using his dad's fame. Money does not buy talent.

I went through the book at Eason's here in Dublin. Never wish to put that book into my private library. This guy has no talent, just wasted his parents' money.

Horrible absolutely no talent

Very nice you can see he loves photography and will do very well!

To the above writer who did not buy the book to write a review. Get over yourself. He is going to college for photography. In a world of validation and selfies this is a refreshing reminder of how others see the world and that photography is not a lost art.
