Average Customer Review: 4.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #4,400,105 in Books (See Top 100 in Books) #47 in [Books > Travel > Australia & South Pacific > Australia > Tasmania](#) #6382 in [Books > Reference > Atlases & Maps > Travel Maps](#) #8708 in [Books > Travel > Reference > Atlases & Maps](#)

Customer Reviews

I've only begun looking through this and my trip isn't for quite a while, but I wanted to write a preliminary review because there is very little information on what is *in* this ATLAS. It is very much as expected, lots of different roadmaps, some very close up in towns, others very wide of the whole island. They are clearly marked, and there are lots of them...by that I mean you don't have to keep flipping back and forth. There is enough repetition and different views, not just a couple of maps. The guide part I haven't been able to get into yet, but probably it will be useful to have the areas described alongside the maps. Tasmania (as a separate destination) is not that easy to find such a guide book, so I think this will be very useful. It is not too big, but still can find the information easily. Very glad I got it and hope to put it to good use.

The Tasmania Atlas and Guide has been a fabulous resource during our trip to Tasmania. Yes, we had GPS but on roaming \$\$\$\$. Plus no guarantee of Google maps working in remote areas. This book is the best of all worlds. Fabulous color pictures, great maps, well organized easy to read information plus great extra tips all available while on the road or back at the hotel. Highly recommended!
