Young & Wild

Synopsis

SLEEPING WITH THE BAND Carol can't work. She can't even think. Everything's closing in on her. She needs to get away, so she gets in her Thunderbird— a gift from someone she doesn't even want to think about— and starts driving up the Pacific Coast Highway. After playing the set of their life, at the Monterey Pop Festival, the five members of the Maidenhead become mesmerized by Carol, a mysterious beauty who shows up at their motor home asking to use the restroom. As the night moves on they take a little grass, shed a few clothes and get to know each other. It's The Summer of Love and they want her for sure and it's looking more and more like she wants them. Will she? Dare she? PROLOGUE "Hello?" "Tami, it's Carol." "Carol. Where are you?" "I'm in San Luis Obispo." "What're you doing there?" "I've been driving." "Where to?" "Monterey." "Why?" "I need to get away." "You're missing the rehearsal?" "I know, I'm sorry. Cover for me, will you?" "Of course. But why?" "I feel caged. I need to get away. I need to do something I want, while I still can." "What're you going to do?" "I don't know yet. Whatever, I feel like." FELICITY

JONES Felicity Jones finds the hunky black and white duo of Devon and Adam fascinating and the caustic blond beauty beguiles them. Yet all semester long, though drawn together, they fought like cats and dogs. Today's the last day of the semester. A two week vacation looms and the possibility Adam and Devon may never have a chance with the hottest girl on the campus again. Desperate, when opportunity presents itself, they go for it and for once, Felicity doesn't stop them. This leads to an afternoon, they and maybe you, will never forget. Later, when Felicity admits she's a 'bride to be', Adam suffers an anxiety attack. Conflicted between the powerful emotions engendered by her recent lovers and affection for her fiancé, she promises to return to school next week for a rendezvous. Felicity, seems to be more intrigued by the handsome virile duo than she imagined and can't seem to stay away. When she receives an email inviting her to meet them at a wild frat costume party the next night, she finds herself on the road back to meet them for another delicious, lascivious encounter.
