The Journals Of Rachel Scott: A Journey Of Faith At Columbine High

Synopsis

Written teen to teen as a first-person narrative, this is not a book about the Columbine shootings - instead, it's a story of faith, told in Rachel's own words. The book includes first person narratives, journal entries, drawings from Rachel's diary, and notes from her parents and friends at Columbine High School. Additionally, "me pages" (what makes me angry, what I'm afraid of) encourage teens to explore issues central to their lives and faith. Highlighting Rachel's faith journey from the time she became a Christian, through her joys and doubts, her hopes and dreams, this story is a triumphant testimony that teens will treasure.

Customer Reviews

Bought it for my granddaughter ! She is about this age and is going through the hard times of trying to find herself and still remain faithful to the Lord Jesus !

This book, like others written about Rachel Joy Scott is an incredibly spiritual journey. I only wish

that I could have met her in life. My only problem with this book (and the others written by Beth Nimmo and Darrell Scott) is that the photo copied portions of her writing and her journals is much too small and light to read. Other than that, I think this is a book many preteens and teens will relate to. I hope all growing children are given the opportunity to read all the books written about Rachel Joy Scott - so her words can be heard and repeated many times over.

I would recommend this book to all youngsters! Really to anyone, but mainly youngsters.. Especially young Christian Girls... Who are at any stages in their walk with Christ! I could re-read this for sure! I felt as if I were reading pages from my own journal.. Could relate to this book, and I really enjoyed that about it.

Very good book. I would highly recommend it.

I am still amazed 17 years later how much I have discovered about this girl. She led a very amazing life and still radiates her mission long after her home-going.

An Inspirational Book

It's a great book the and taught me a lot. Really helped me get to know what Rachel was like and how she looked at life.

Great book about a teen who unfortunately lost her life because of a cruel world of which we live. Inspirational if your child is like most of us in trying to find our place of comfort.
