Classic Style: Hand It Down, Dress It Up, Wear It Out

Synopsis

A gorgeously illustrated guide to "the classics": the essential clothes, accessories, beauty products, and timeless everyday objects that define your personal style. In *CLASSIC STYLE*, fashion expert and illustrator Kate Schelter curates a collection of more than 150 iconic, essential classics--clothes, accessories, beauty products, objects, and travel items that exemplify great design, simplicity, and timeless style. Balancing the trend toward minimalism with a dose of charm and personality, Kate shows you how to develop (and celebrate!) your own style by following an easy mantra: buy less, buy better, reinvent what you already have, and own your look. Now in her first book, she guides readers through these principles in a mix of stunning watercolor illustrations, stories, memories, quotes, and advice from a collection of friends and mentors in the fashion world. A visual gem, *CLASSIC STYLE* will inspire you to pare down those stuffed closets and storage units, find joy in simplicity and usefulness, and rediscover the one thing that is truly essential to personal style--you!

Customer Reviews

"Classic Style is so much more than a book about personal style choices and classic wardrobe recommendations. It inspires readers to remove the clutter and embrace the joy of simplicity."

—The Associated Press "[Classic Style] is a very relatable book, filled with gorgeous illustrations and plenty of pithy narrative. There are hilarious passages, nostalgic remembrances, and tips readers can use to shape their personal style. . . . Above all, the book is meant to stress [Kate's] belief in the importance of being yourself and of finding what you love." —Domino
