Ã¢âA funny and witty read with just the right amount of sass to get us through the day fashionably. Full of inspiring quotes, amusing tips, and words of wisdom for when you need them.Ã¢â (FashionDailyMag.com)

kate spade new york started with four people in 1993. It has grown a bit since then, but the charming dream-big, anything-is-possible mentality has stayed the same. In the last 20+ years, the once-handbag company has become a global lifestyle brand with shops around the world and categories including handbags, clothing, jewelry, shoes, stationery, accessories, fragrance, and home.
