Synopsis

The author has to tender his cordial thanks for the extreme courtesy and for the invaluable assistance rendered during his stay in the country by the Uruguayan officials, and by the British Minister Plenipotentiary, Mr. J. R. Kennedy. He is desirous of expressing the obligations under which he has been placed by Mr. C. E. R. Rowland, British Consul at Montevideo, for general assistance and information on the seal fisheries; Sir Jos6 H. Figueira, for the description of the aboriginal tribes; Dr. Ramos Montero, for the commercial technicalities of the pastoral industry; and Mr. V. Hinde, for the paper on the British railways in Uruguay. Thanks are due to a number of British residents, both in Montevideo and the Campo, greater than it is possible to enumerate individually. The author would more especially acknowledge the courtesy of Messrs. Stapledon, W. J. Maclean, H. Hall-Hall, C. W. Baine, Temple, R. Booth, Piria, Adams, R. B. Harwar, L. L. Mercer, Warren, and J. Storm. Mr. R. A. Bennett, who accompanied the author for the purpose of photography, displayed an unremitting zeal that must be gratefully recognised. He is responsible for much of the information on Mercedes, the Swiss colony, and the frontier town of Rivera. (Typographical errors above are due to OCR software and don't occur in the book.) I know little about the countries of South America except their names and their capitals. This is the

first book I have read about the history of a South American country. It is well written, interesting. I hope to read more about the history of South American countries.

Most of this book called "Uruguay" is not about Uruguay at all. It's some description of terms in asphabetical order and has nothing with Uruguay. Other, small part of the book, is very old (dated) information about Uruguay from years 2003-2009. So, it was totally wasting of money. Such a shame.
