Shades Of Time (The After Cilmeri Series Book 14)

Synopsis

March 1294. With David and Llywelyn in Ireland, the rule of Wales and England has fallen to Math and Anna. Unbeknownst to them, however, rebellious barons have tried to assassinate David and thrown Ireland into civil war. When the treachery reaches across the sea and touches Anna, she finds herself at the center of a conspiracy that stretches from Dublin to Edinburgh – and it is only her actions and choices that stand between her family and the destruction of everything they've worked so hard to build. Shades of Time takes place simultaneously with Outpost in Time, the previous book in the After Cilmeri series.

Book Information

File Size: 445 KB

Print Length: 367 pages
