Established 1950 and still going strong! Almost one thousand albums!!

I kind of thought the accompaniment was going to be more of a complete orchestra ... It's just an ensemble. Okay though. Very good quality sheet music.

Another great music minus one or play along book for the recorder player the selection in this volume is beautiful, you have enough material to practice and work on for the rest of your life, some pieces are rather easy to sigh read than others. The beauty of Gluck's Orpheus is by itself worth getting it, a swan song, I understand this was the last piece written for a recorder back then. Whether you play the flute or the recorder you will enjoy this volume.
