Synopsis

SHORT READ New York Times and USA Today Bestselling Author DIANE CAPRI Returns! For fans of Lee Child, Jack Reacher, John Grisham, and Michael Connelly "Full of thrills and tension but smart and human too." "Lee Child, #1 New York Times Bestselling Author of Jack Reacher Thrillers" Jess Kimball is like a female Jack Reacher, only nicer!" "Martha Powers, award winning author of Conspiracy of Silence and Death Angel Jess Kimball's Impossible Mission: Protect Crime Victims Relentless victims rights advocate Jess Kimball and Jack Reacher both deliver justice when the legal system fails. Reacher waits until trouble finds him and then he does whatever it takes. But Jess pursues legal justice and draws lines she will not cross. How can she win against killers who refuse to follow the rules? Jess Kimball hadn't been in the same room with Richard Martin for more than a dozen years. Worse things than Richard had happened to her since she'd seen him last. He'd find out soon enough that she wasn't a gullible sixteen-year-old anymore. She was his enemy now and he was hers, whether he knew it or not. Jess decided long ago she would never yield to him again. Richard Martin would make his choice tonight. Would they become fatal enemies? In this tense battle of nerve and guile, who will survive?

Customer Reviews

Jess is an investigative reporter who is helping her friend protect her young daughter from her abusive ex-husband. He kidnaps the child and takes her to Canada where his family reside. Jess follows in a plot to bring the child safely back to the US and away from her father. Telling any more would be a spoiler, but this is a well written and well plotted story.

Not much to the plot. The next book in the series was much better. Kept me reading.

Disappointing, it was very short and not particularly satisfying.

It was really too short, if all the other books in this series are this short, you could combine them to make a decent length book. The main character is a good premise and the situation is believable.

First time I've read Capri. Good story. Tough to build a lot of character attachment in 63 pages. The only thing that got to me a little was that Capri kept having Kimball get angry. She must have used some version of the word 15 times in 63 pages, but then Kimball would 'control' it and all was right in the world. Other than that, a good enough read that I have ordered another Jess Kimball book. I'll have a better feel for Capri after that.

Kidnapping, murder, violent man with no conscience was too depressing for me. Hard to believe a wealthy man would have a lone confrontation in the presence of armed border guards. The story started out interesting enough but was too simplistic at the end.

One heck of a powerful story, kept me going throughout. I enjoyed this buy

The author obviously does not know the border between the US and Canada. The ending never would of gone down this way.
