Gina Bellisario is the author of several picture books. She especially enjoys writing about community workers. Gina lives outside Chicago with her husband and twin daughters. Cale Atkinson is an illustrator/ animator living in Kelowna, Canada. He has worked with clients such as Disney, Scholastic, and Clean Slate Press.

It was a cute book, very informational. Some of the content didn't apply to my class and the area we are in. So I would recommend only using the pages that have what you need. The vocabulary may be too advanced depending on the grade level. Overall I definitely will continue to use it!

My grandson loves books

Cute community book

Kid Friendly!
