Acts Of God: Why Does God Allow So Much Pain?

Synopsis

“Why God? Why did you let this happen? Why do you allow so much pain?” • Be it a job loss, illness, or loss of a spouse or child, these are questions we’ve all had. It’s as much a cry as a question; a wound; a shout of betrayal of all the rules of life and fairness as you knew them. Bob Russell offers no trite platitudes to answer the questions in *Acts of God*, the accompaniment book to the *Acts of God* videos and curriculum. Instead, through the biblical story of Joseph, he provides assurance that we are in a bigger story than the pain, suffering, and trials tell us we’re in. Whether you’re in the middle of suffering, processing something from your past, or seeking answers to the suffering you see around you, *Acts of God* shows a way back to hope; hope in God that brings hope to our circumstances.

Customer Reviews

There is so much pain because every action has a reaction. My 14 year old son was killed by an automobile . He was in the highway at a spot which the driver did not see in time to stop. My

question, or perhaps my dilemma is 'can God's presence bring solace in the agony of the loss of my son?' And the answer for me is 'yes'. He does not ask me not to grieve, but holds me close to His heart as I grieve. This book leads me through the history of God's faithful action through thousands of years of His continual presence in both tragedy and triumph. Thank you Pastor Russell for your testimony.

One of the best books I've ever read. My husband has cancer and has suffered so greatly, this book has given us much needed wisdom which strengthens us. I will keep this book and re-read it always. Sometimes truth is hard to swallow but non the less it is truth and with that a Peace follows. Thank you Bob Russell.

I liked the movie better than the book

We did the study based on the movie and book "Acts of God" in our men's bible study group. The analogies based on the story of Joseph hit some major struggles of trials we endure in the modern day. Highly recommend the book and the study. The movie is very moving and well worth watching.

Great book with good material for small group discussion. Lots of deep question discussion and the way it uses the life of Joseph to parallel is solid! NOTE: I wouldn't use the Travelers guide with it. It is really confusing and hard to follow. .

Enjoyed this book thoroughly; really gave me a clear perspective on God's love for us.

Acts of God is a book about suffering and answers a big question: why do some things happen/why would God allow this? I would recommend watching the movie and reading this book.

Just not a very heavy read...not intellectual material at all for study. Teacher and some of the students were disappointed in the material.
