Deadly Secrets (Strong Women Extraordinary Situations Book 10)

Synopsis

Secrets. Murder. Reunion. Sarah St. John, an FBI profiler, finally returns home after fifteen years for her niece's wedding. But in less than a day, Sarah's world is shattered when her niece is kidnapped the night before her vows. Sarah can't shake the feeling her own highly personal reason for leaving Hunter Davis at the altar is now playing out again in this nightmarish scene with her niece. Sarah has to work with Detective Hunter Davis, her ex-fiancé, to find her niece before the young woman becomes the latest victim of a serial killer. Sarah must relive part of her past in order to ensure there is a future for her niece and herself. Can Sarah and Hunter overcome their painful past and work together before the killer strikes again?
