About the Authors Residents of northern New Mexico for more than 25 years, Don and Barbara Laine have traveled extensively throughout the Rocky Mountains and the Southwest. In addition to Frommer's Denver, Boulder & Colorado Springs, they are the authors of Frommer's Colorado, Frommer's Utah, and Frommer's Zion & Bryce Canyon National Parks, and have contributed to Frommer's USA and Frommer's National Parks of the American West. The Laines have also written New Mexico & Arizona State Parks (The Mountaineers Books).

I just used this book while on a vacation in these areas of Colorado. The recommendations in the

book are very helpful and the use of this book really helped make my vacation a success. It is very easy to read and follow and FULL of information about both the sites in the book and interesting history of the area. Great book to buy if you are planning a vacation to Colorado.
