Woof

Synopsis

Bowser is a dog detective on the loose, paired with an 11-year-old girl, Birdie. Bowser and Birdie live on the Louisiana coast with Birdie's Grammy. When a prize stuffed marlin is stolen from Grammy's bait and tackle shop, Birdie and Bowser decide to take on the case. But what looks like a straightforward break-in soon becomes as tangled as a tourist's fishing line. Was Grammy hiding a treasure map in the marlin? What's up with Old Man Straker, owner of a rival tackle shop, and his juvenile-delinquent son? And most sinister of all, why does it suddenly look as if someone wants to harm Birdie? Told entirely from Bowser's hilarious dog point of view, *Woof* launches a brand-new slightly slobbery but utterly winning detective duo.

ASIN: B00UXOAGB6

Best Sellers Rank: #165 in Books > Audible Audiobooks > Children's Books > Animals #1442 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

Bowser meets Birdie at the animal shelter and its love at first sight. Birdie takes him home. They make a great pair solving an old family mystery involving a hidden treasure. It takes place on the Bayou which is a great setting. It's wonderfully narrated, of course, by Bowser.

I really liked the book. I liked how it was a mystery but had an animal as the narrator. I would recommend this book to anyone who likes dogs and/or mysteries.

As always, Spencer Quinn is excellent writing through a dog's eyes.

Just finished this book. I enjoyed the book. Bowser being adopted by a young 11 year old girl and her grammy and Bowser being there to protect the young girl and loving her so much that he does

what she tells him to do even though he would much rather run. His former life was with thieves who hit him, but Bowser knows this girl loves him and he wants to be with her. They get in mischief and ends up solving the theft of the stuffed Marlin fish that has been in the bait shop for a long time. Can't wait for the next book to come out. Great book to read for adults and teenagers.

Love it! As a fan of Spencer Quinn's Chet and Bernie novels, I thoroughly enjoyed this middle grade book also, with a different dog hero

laughed all the way thru book. great suspense in several places.

This is a book that would really appeal to pre-teen girls but was a bit too simplistic for me. I was hoping something more like the "Chet and Bernie" series. My mistake. ;Don't knock it as a Young Reader book; bu, it's not really for adults

Fun read - Bowser is a character!
