When A Nation Forgets God: 7 Lessons We Must Learn From Nazi Germany

Synopsis

This excellent book is so important. It clearly and powerfully explains what the parallels are between Germany's fall from grace and the beginning of our own fall. - Eric Metaxas, author of *Bonhoeffer: Pastor, Martyr, Prophet, Spy*

In *When A Nation Forgets God*, Erwin Lutzer studies seven similarities between Nazi Germany and America today - some of them chilling - and cautions us to respond accordingly. Engaging, well-researched, and easy to understand, Lutzer's writing is that of a realist, one alarmed but unafraid. Amidst describing the messes of our nation's government, economy, legal pitfalls, propaganda, and more, Lutzer points to the God who always has a plan.

At the beginning of the twentieth Century, Nazi Germany didn't look like a country on the brink of world-shaking terrors. It looked like America today. When a Nation Forgets God uses history to warn us of a future that none of us wants to see. It urges us to be ordinary heroes who speak up and take action.

ON THE COVER: "Using the history of Nazi Germany as his canvas, Lutzer brilliantly illustrates a critically important truth. Frank Wright, Ph.D. President & CEO National Religious Broadcasters

INSIDE OF A BOOK: "Woodrow Wilson once spoke of the futility of a nation that forgets its heritage. Erwin Lutzer asks a far more penetrating question: What happens to the nation that forgets God? Using the history of Nazi Germany as his canvas, Lutzer brilliantly illustrates a critically important truth. Just as nature abhors a vacuum, a culture which drives every vestige of God from the marketplace of ideas inevitably finds it has sown seeds that it will

reap in the whirlwind. – Frank Wright, Ph.D. President & CEO National Religious Broadcasters

Every American should read this..... warns when we are going as a nation

Lutzer reminds us to pay attention to what is going on around us. Often we are caught in the day-to-day of life and forget to be aware of the big picture. This book is an eye-opener to the big picture.

we need to have all American's read this

Very chilling but amazing book. Rev. Lutzer is a great author.

Excellent book - a must read for Americans! The parallels brought to light in this book are both enlightening and scary.

Excellent book. Dr. Lutzer makes some chilling comparisons between Nazi Germany and the present state of affairs of our country.

Current, up to date a MUST read!!!!

So sad that a great, wonderful and blessed nation as the United States turn it's back on the very source of those blessings.
