As described

you like angel stickers this is the book for you. crafters will enjoy this book, I love it and fast delivery

The stickers are not suitable for many crafting projects because the glue is not quite sticky enough. Plan on extra glue if you want to use these. Also noteworthy, there is a disclaimer on them that you may use no more than 4 stickers on any single craft project in order to comply with the copyright. Some of them are quite small and barely qualify as an accent. I plan on returning the ones I did not use.

cute stickers, though smaller than I thought.

exactly what I wanted-great quality

Nice item.recommend.

If you like old fashioned Christmas images you'll love these stickers. I've used them for several years on Christmas card envelopes and on tissue paper-wrapped gifts. They're gorgeous!

I wanted Victorian style stickers for my Christmas scrapbook. These fit the bill perfectly! excellent detail and variety. I would buy these again.
