# Workbook For Strings, Book 1

## Instrument: Violin

## Synopsis

This series of workbooks for beginning and intermediate players is designed to save rehearsal time by keeping classroom explanation to a minimum. Published in separate books for each of the stringed instruments, the take-home assignments stress the names of notes, finger patterns, scales, key signatures, terms and symbols, and other information necessary to prepare the string player thoroughly for orchestra participation.

## Book Information

Paperback: 44 pages

Publisher: Alfred Music (November 1, 1990)

Language: English

ISBN-10: 0739014420

ISBN-13: 978-0739014424

Product Dimensions: 0.2 x 9 x 12 inches

## Customer Reviews

Excellent!

Great book for beginning students. The written "homework" allows you to reinforce what they learn in class or lessons.

Great book for anyone learning to read fingering positions and notes.

Good stuff

I bought this workbook because it is recommended by my daughter's Violin's teacher. I am pretty sure it is recommended by many violin teachers too.

If you are in need of brushing up on your music notes, symbols, and drawings this book will definitely be of good use to you.

We are a family new to music and note reading, and find this book very difficult to follow at times. It often asks the student to complete work that hasn't been explained, and other explanations are hard to understand. For a book that is meant to be understood through independent work, it should have more explanation.
