## Customer Reviews

Book by Sumrall, Lester

At first sight faith seems to be the most simple thing in following Jesus Christ. Longer I follow Him I realize faith is one of the deepest mysteries and treasures. This book helps to explore what faith is according to Bible. The author shares what Lord made in his life and teaches how to grow in faith.

Have followed Dr. Sumrall's ministry for many years and am glad his works are still in print and in large demand even after he has went home..

loved it

A must read for Believers in Jesus Christ. Answers lots of questions concerning the gift of Faith.

Having faith can change life forever.

Your faith will be lifted up after you read this book. Because very much is promised to us by faith.

This book is changing my life. I no more about Faith and how to apply is once I started reading it. I would tel others to read it and see what I mean.

Very inspiring book. It is a shame that it is no longer in print
