# Holistic Aromatherapy For Animals: A Comprehensive Guide To The Use Of Essential Oils & Hydrosols With Animals

## **Synopsis**

It is only in recent years that aromatherapy, or essential oil therapy, has gained substantial acceptance; this is primarily due to French veterinarians who have begun using essential oils and hydrosols in their practices. Laypeople, of course, have been enjoying great success treating animals with the very same substances for many years; for it is not just the medical professionals who can safely and effectively administer these aromatic oils. Anyone enabled with quality essential oils or hydrosols and adequate knowledge can use a plant's most concentrated and energetic byproducts to improve the health of their animals, and treat and prevent various illnesses and common ailments. Aromatherapy is actually a science that has a much larger archive of supported scientific data than most other holistic care methods. However, most of these studies were originally published in French or German. Aromatherapy was the first natural, holistic therapy the author began using, and she relies on it as my primary form of healthcare to treat and balance all sorts of minor ailments and discomforts in the lives of her family and their pets. She has rarely needed to use any other sort of remedy to achieve the desired result. These powerful substances are the most fascinating, sensual and complex of all natural therapies -- a combination that proves to be so enthralling it eventually develops into a grand passion for many.

## **Book Information**

Paperback: 228 pages

Publisher: Findhorn Press; 8.2.2002 edition (September 1, 2002)

Language: English

ISBN-10: 1899171592

ISBN-13: 978-1899171590

## **Customer Reviews**

Kristen Leigh Bell is a master aromatherapist certified by the Pacific Institute of Aromatherapy, and has been working with aromatherapy and essential oils for more than 10 years.

A wealth of information. I always know where it is for quick reference

This book fell very short of what I had bought it for. I was looking for information on birds, most of the information in this book is for dogs. I will do further research on what I am looking for.

this is a book that will come in handy I would like to have a little more know hows for dogs but this is a good start.

Great resource for using essential oils with animals.

Love

Huge amount of information, great resource!

This guide for using aromatherapy with animals is extremely thorough and highly detailed. Every pet owner and animal lover should have this on his shelf!!

great recipes
