a very fun book to color. I've enjoyed all of the Jade Summer books I have.

This is a really cute coloring book of Kawaii girl designs by Jade Summer. There are 30 different designs (with 2 copies of each design for a total of 60 coloring pages.) The designs are quite detailed and some contain small areas to color. The designs; however, are not what I consider intricate and difficult to color. The word Kawaii is Japanese for cute. The girls in this book are definitely cute and have a kind of manga style about them. They are more mature than the girls in Jade Summer's "Chibi Girls" coloring books but still have large eyes and lots of fun personality. There are so many girls in different scenarios, including: princess, witch, mermaid, scientist, Native American, school girl, angel and much more. While you can have access to .PDFs when you purchase this book, my review is based on the book as it is received from . That way you will know what the pages look like and how they accept color. I like that the publisher provides the digital version as well so you can choose the paper you wish to use and/or to color the pictures as many times as you choose. This is what I found while coloring in this book and testing the paper with my coloring medium: 30 x 2 each cute Manga style Kawaii girl designs for a total of 60 coloring pages. Designs are printed on one side of the page. Paper is typical of CreateSpace: white, thin, slightly rough and non-perforated. The back of the page is printed black. The designs do not merge into the binding. There is a heavy framing line at the outer edges of the design to give the project a more finished look, especially for framing. Glue Binding (there is room to cut the pages out if you choose to do so.) Though you cannot see the bleed-through easily due to the back of the page being printed in black, I recommend the use of a blotter page when working in this book. I use a page of card stock or several sheets of heavyweight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below. Alcohol-based markers bleed through the page quickly. Water-based markers bleed through in spots. Gel pens and India ink pens leave shadows on back of the page. India ink can bleed through if you apply heavily or multiple coats. Coloring Pencils work well with this paper. I found that I could layers the same color for deeper pigment or multiple colors and I could blend easily using a blending stick. I tested both oil and wax based pencils. I also found that hard lead pencils leave dents through the paper.

2017 BEST SELLING AUTHOR, Jade Summer had just released another winner. I think this might be my favorite. It's a great collection of lovely ladies! There are sweet gals and fantasy ladies and empowered women (Rock star, Native American chief, pirate wench, Scientist, police officer) These would be great for young ladies to show there are unlimited options for girls. There are 30 images with 2 copies of every image! Each image is printed on black-backed pages to prevent

bleed-through.

I love this new book. It is absolutely gorgeous. The images are perfect. A wide range of sweet Kawaii girls. Some are elf. Some human. There is a Rockstar, Princess (the cover), Elf, Cupid, Parrot girl, Girls with Pets, Artist, Halloween themed, vampire, space, sea, school, angel, ballerina and more. All the details are excellently drawn. Hours of coloring enjoyment. I recommend this book to any one. I've added photos so you can see some of the images. They are fantastic. We'll find 30 unique images and single sided. There is two of each image so I can practice or color again. We can also print on our own preferred paper with the free PDF included. Try out markers, watercolors, paints and any other coloring tools you can think of. Thank you Jade for the super work you do and the books you make for us to enjoy. Another top pick for the collection.

I love it! I got it in the mail yesterday and I have already colored 4 pages! I recommend this book to everyone! Single sided pictures, bright white paper, with black on the back side.

Adorable big eyes! They all look so cute. I love the totally black page on the back of each coloring page. Alcohol markers don't bleed to back black side which is great. The book includes two copies of each image so you can color them in two different colors or mediums. You can also download the free PDF of all the pages for printing on different paper or card stock. PDF file is also great if you want to make the picture smaller to use it to make a card or other craft project. I have eight or nine of Jade Summer's coloring books and like all of them. I share some of the pages with my teen and pre-teen nieces and they love coloring in them too.

I really like this book, its fun and detailed, printed on one side of the page 30 images printed twice which I like if you like kawaii or anime pick this up for sure, u wont regret it

There is no doubt Jade Summer is an amazing artist! If you're a fan of kawaii or manga, this coloring book is for you! The pictures are just lovely, I would even say adorable. They are appropriate for any age colorist from pre-teens up to, well, anyone! They are all lovely, big-eyed girls in various costumes. The pictures have enough detail to be very interesting, but not so much as to be daunting to color. I would recommend this coloring book to any fan of kawaii, as well as tweens, teens, or anyone! Enjoy!
