She lives with her husband, Duffy, outside of Philadelphia, Pennsylvania. Dr. Duffy Robbins is Professor of youth ministry at Eastern University in St. Davids, Pennsylvania, is a respected youth ministry veteran with over forty years of experience in the field. He speaks around the world to teenagers and people who care about teenagers. Duffy also serves as a Teaching Pastor at Faithbridge Church, Spring Texas.

This book has tremendously helped me engage scripture, hear from the Lord, and cultivate a heart of peace. I would highly recommend this to anyone! It has greatly increased my devotional time.

love it

Awesome! Great devotional for learning how to listen to God

As a youth leader, I love this devotional and it is one of the first that I suggest young people to use. Its deep and encourages individuals to slow down in this busy world and take time to listen and talk with God.

Excellent Bible sturdy for meditation. I especially like, and go back to, the day of Psalm 23. It may be meant for youth, but it is good for any age.

Loved this book- I've actually gone through it twice, it is a great way to begin deeply studying the bible on a daily basis. The process used in this book (lectio divina), is a process that has been used for thousands of years.

i had never read a book that took you thru the month and it really helped me to be able to stay with

it.

I am a Bible teacher at a parochial high school. I give this book to my 12th graders to illustrate the benefits of personal devotions. It has been very well received.
