Moana Little Golden Book (Disney Moana)

Synopsis

Walt Disney Animation Studios' Moana is a sweeping, CG-animated comedy-adventure about a spirited teenager on an impossible mission to fulfill her ancestors' quest. In the ancient South Pacific world of Oceania, Moana, a born navigator, sets sail in search of a fabled island. During her incredible journey, she teams up with her hero, the legendary demi-god Maui, to traverse the open ocean on an action-packed voyage. They encounter enormous sea creatures, breathtaking underworlds, and ancient folklore. This Little Golden Book retelling of the movie is perfect for children ages 2 to 5.

Customer Reviews

I got this for my niece's birthday as part of a book bundle. Books always make a great gift, as parent's and kid's love them, so of course this was a hit. The brightly colored pictures and easy to read pages make it perfect for those just learning to read.

We love everything Moana!! The book is super cute!! All the highlights from the movie!! The illustrations are perfect for Disney!

This is about the 100th Golden book I've purchased over the years for my 5 year old daughter. She loves the fact that there are so many different stories to choose from and we add to her collection every few months. For the price, little Golden Books are a great value and are just as good if not more detailed than the board books. Item arrived as described.

It's Moana, the kids love her, enough said. Moana is a good Disney story and this is a nice little Golden Book to tell it.

it was a gift and golden books have always been a quick easy read for bedtime & my grandkids can't get enough of Moana!

I have yet to find a Little Golden Book that was poor. My kiddo loves this book, and I am very happy with my purchase!

our almost 4 year old asks for it every night! A nice version of the story including some really animated pictures that really crack kids up.

Can't get enough Moana in this house! I love the illustrations, they are classic Disney and so cute! We read it all day.
