More Than A Mermaid (Shifty Book 4)

Synopsis

"Every shifter girl has dreamed about what her soulmate would be like. We wonder what he'll look like, whether he'll be playful or quiet. We think about how long it will take us to fall in love with him, how many children we'll have, and what his job will be. Shifter girls think about everything when it comes to their soulmates. But as I sat in my usual thinking place, high up on a cliff, I looked out at the ocean in front of me and realized that I was ready to let all of those dreams go." Ava is the queen of all mermaids, and she didn't ask for that job. She didn't even ask to find her soulmate. Just as she accepts that she'll never meet the man with the other half of her soul, she watches a human save a mermaid, and everything changes. Sam had no idea that rescuing a mermaid would mean turning into one. He doesn't want the tail or anything that comes with it, including Ava. When she promises to change him back into a human, she offers him a deal that he can't refuse. A shifter peace summit? Sounds simple enough. When you throw in a car bombing and assassins trying to take out all of the shifters, well, then things start getting complicated. The Shifty Series 11 girls... 11 stories. Customer Reviews

Great quick read. I am a big fan of mermaid books and this is a great, clean, touching story. I am so glad I bought it

Overall a good story. I like it.

I have read the other three books in the series and I really enjoyed them. Although this book is definitely my favorite so far and I can't wait to read the next one. I liked how Ava was the queen and a strong independent woman like the rest of the characters in the series. I loved Sam I though he was a great character and seeing him fall in love with Ava made my heart melt. I would definitely recommend this to any who loves the other books in the series and anyone who hasn't read the series to start! I think it was aimed at women/girls but boys don't be afraid to pick this book up to!

I really loved this book! I loved reading about mermaids and how the Queen finally met her mate. Didn't enjoy the Summit so much. Enjoyed the part about how the ocean looked. Thanks Kit Ryan

I love it, I can't wait for more of the girls story, they just keep getting better and better! I loved Ava's story!

Very naive and simplistic. The writing is bland. I still don't know what the characters look like or how they got together. The stories are all so far are, g meets b they are a match and then something terrible happens that they get out of by very unlikely means.

I'm just loving these books! Thank you Sara! Now I'm off to read More than an Otter. I'm so excited!

So far i really like these storys.think with a little more work They could make a great set of books i wouldn't mind buying
