Sri Lanka: 99 Tips For Tourists & Backpackers

Synopsis

The stunning Island of Sri Lanka is one of the must-visit world destinations. From it's stunning beaches to it's lush tea plantations, the natural environment of this country would be the envy of almost every other in the world. Not only the natural environment, though. The cultural landscape of Sri Lanka has played a dominant part in the spread of Buddhism across Asia and the World. And now that the civil war has ended, it must be hoped that the culture of the country from all groups can flourish. So we say, go see it. And in this overview guide our author Amrita Santara will take you through many tips to help you plan your holiday. Sri Lanka, we love it - and we know you will too.

Customer Reviews

No addresses, no websites, no really useful information. This reads more like a conversation you would have waiting in line at the bank with a random stranger who somehow mentions they've just gotten back from Sri Lanka, happens all the time, right?

Very simplistic "guidebook". Essentially it describes a few beaches and foods then fills the rest of the book with basic travel advice that would apply to any country, including excruciating detail on

how to book a hotel online.
