Unsportsmanlike Conduct: College Football And The Politics Of Rape

Synopsis

"Jessica Luther studied history and the classics before marshaling her writing talent toward of-the-moment topics like sexual assault and college sports culture. Now she's an investigative journalist, working from her adopted hometown, Austin, Tex., in what is perhaps the nation's most college-obsessed state. Ms. Luther's new book, *Unsportsmanlike Conduct*, examines the programmatic manner in which sexual assaults are swept under the rug by institutions both on campus and in the media."--New York Times
Not to reckon with Luther's book would be an abdication not only of one's moral faculty but also of one's fandom . . . Luther doesn't just want to save future victims; she wants to save college football. -- New York Times Book Review
A significant and riveting look at how one of the greatest cultural tragedies of the millennial generation--the silencing of sexual violence against women on campus--is nurtured by a system of cover-ups and corporatized crises management. --Playboy.com
In *Unsportsmanlike Conduct*, [Luther] draws on years of research and reporting to outline what she calls the 'playbook' all the standard, predictable ways that football programs, universities, the NCAA, and sports media typically respond when athletes are accused of rape or assault. It's an infuriating, exhaustively researched catalogue of problems, from denial and toothless language to ignoring or discrediting the victim. --Elle.com
"The most important sports book of the year."--Booklist
