The French Bulldog Handbook: The Essential Guide For New And Prospective French Bulldog Owners (Canine Handbooks)

Synopsis

• This is a very complete & comprehensive book about French bulldogs. I would highly recommend this book to new puppy owners & people wishing to learn more about the breed, • SUSAN SIMON, Secretary, FRENCH BULL DOG CLUB OF AMERICA • Great book for any owner/ breeder of the French Bulldog. Highly recommended, • LINDSEY SCANLON, breeder & joint founder of rescue group FRENCH BULLDOG SAVIOURS, WEST YORKSHIRE, UK The French Bulldog Handbook is simply the biggest, most up-to-date & in-depth book on the breed. It's the only reference book you'll ever need & suitable for new owners, prospective owners & anyone thinking of rescuing a Frenchie. The 250 pages are packed full of info & tips on everything you'll ever need to know about caring for & training your dog. It has over 200 pictures & is written in an easy-to-understand manner by specialist canine author Linda Whitwam, with major contributions from leading French Bulldog organisations & breeders. The French Bulldog Handbook covers looking after a Frenchie from cradle to grave & gives great insight into the breed's temperament & needs. If you haven't got your dog yet, there's: How to Find a Good Breeder & What Questions to Ask How to Spot an Importer or Puppy Broker How to Pick a Healthy Puppy or Adult Dog The Puppies to Avoid How to Pick a Frenchie Pup with the Temperament to Suit You Puppy Proofing Your Home Once you bring your Frenchie home, the book guides you through the first days & weeks, & covers: Housetraining & Crate Training Obedience Training Socialising & Exercising your Frenchie French Bulldog Temperament How to Deal with Problems such as Puppy Biting There are over 20 pages on Feeding a Frenchie, with all options explained - including a Raw Diet - an increasingly popular choice for owners of Frenchies, especially those with allergies - and Feeding Charts, Calorie Counters & Feeding Puppies. There's more than 60 pages on French Bulldog Health, Skin & Allergies with tried & tested medical & holistic treatments. The advice in this book could save you a fortune in vet's bills - & you'll learn about Keeping your Frenchie Healthy, Preventing Overheating, Getting a Rescue Dog, Understanding Your Dog's Personality, the Frenchie Facts of Life, Spaying, Neutering, Vaccinations, Worming & De-Fleaing, Grooming & Caring for Older Dogs. The French Bulldog, like a lot of brachycephalic (flat-faced) breeds, is a special dog requiring extra special care from their humans. This book will arm you with all the knowledge you'll ever need for the challenge of owning one of these highly rewarding & lovable dogs. Reviews for The French Bulldog Handbook: • This is a really comprehensive book for the breed, it clearly explains the health issues that the breed can and do suffer from, which very few realise before buying this breed, and the costs that can be involved. • K. CROSSAN, UK • We thought we basically knew what we were getting into since we had an English Bulldog for

10Â years & several friends with French Bulldogs, but still wanted to read more about the breed, & I'm so happy we did because we didn't know the half of it. This is a great book for anyone who is considering adding a French Bulldog to their family, or anyone who has already added one, & needs to figure out what to do,â • CRAZY4SHERMAN, ORANGE COUNTY, USA

We thought we basically new what we were getting into since we had an English Bulldog for 10 1/2 years and several friends with French Bulldogs, but still wanted to read more about the breed, and I'm so happy we did, because we didn't know the half of it. This is a great book for anyone who is considering adding a French Bulldog to their family, or anyone who has already added one, and needs to figure out what to do.

Very informative and well written book.

The French Bulldog is a good book to read if you are thinking about getting this dog breed. I feel that Linda Whitwam covered very good points about this breed of dog.

Absolutely amazing book! Author gives you all the details & instruction you need in order to provide the best care for you new French Bulldog! Best choice I could have made by buying this book!

I would recommend this book to anyone that is interested in getting a Frenchie or adopting a

Frenchie rescue. It is a very well researched and enjoyable read. Linda Whitwam has covered many aspects of Frenchie ownership. The book is filled with many things to know about this little dog and lots of practical tips for living with this little breed are in this book. Linda Whitwam has navigated the minefield of hype and confusing information, and the result is a great book that is an useful tool for any Frenchie owner.

this is a great book for me since I am a first time bully owner

It did have a lot of good history on the breed which is helpful in understanding there temperament and interesting in general. However, I think a lot of that info can be found on wikipedia or other free resources. The training info was very basic and not tailored to a frenchie specifically.

Interesting. Good pictures
