Other included songs not mentioned in the product description: Day Tripper Drive My Car The End Hey Bulldog I Feel Fine I Want To Hold Your Hand Love Me Do She Came In Through The Window She Said She Said Taxman There are a total of 25 songs in this book of 128 pages. I can't see how one would not like this book, unless one is a completist and wants the complete Beatles. The Beatles made a total of 275 songs. Putting 275 songs in one book would result in a fat, heavy and unwieldy 1,408 pages (= 128 x 11)! This book of "only" 25 songs is easier to handle, and it's got some of their better songs. Unlike a 1,408 page mammoth sized book, if this book were to fall on your toes, they'll still be safe. I would hate to play with steel toed boots.... ;-)

Awesome song book for my 5 year old who plays drums! Notes are mostly what he has learned but some new challenging notes too. Great for a semi beginner player. He had been reading and playing drum notes now for a year, if that helps.

My grandson loved it

Pretty easy to understand. The drum notation seems to be pretty good and easy to follow.

I thought it would have bass chords in it as well.

Nicer in person than in pictures. Great gift ideal.

Not real accurate transcriptions on some songs.

My husband loves this! Shipped fast! Thanks
