Nocturnal Magic (Demons Of Fire And Night Book 2)

Synopsis

“Remember the darkness. Only the darkness will save you.” As part of a deal with the god of night, Ursula is sent to the Shadow Realm. There, she must live in the forbidding palace of an ancient night demon. Granted--he seems to hate her. But he's easy on the eyes, powerful as hell, and he's supposed to keep her safe. But all that changes when the god of night chooses Ursula to fight for him in series of trials. Now, she must vanquish a horde of lethal demons, one at a time. Worse--she may have to battle her own guardian, who has centuries of slaughter on his side. And only one can survive. In order to live, Ursula must learn to fight like a brutal shadow demon, and resist the dark temptations of the realm. If she fails, the god of night will drag her down into hell with him.

Customer Reviews

This book quite instantly caught me by surprise. Avoiding tiny spoilers, Ursula is taken to a completely unique setting in which this book takes place. Very quickly she is thrown into the complex and mind boggling politics of the shadow realm, and finds herself in a set of trials

reminiscent of the Hunger Games. Like all of C.N Crawford's books, the settings in which the plot transpires are vivid and interesting. In the case of this book, they are wonderfully surreal, as well. There's also an interesting broadening of the universe in which those books happen, and I'm excited to see where it goes. A great sequel for this series.

This was a phenomenal continuation to Infernal Magic! It picks up the story where it left off, only some time has passed and Ursula is getting ready to spend her first 6 month requirement in the Shadow Realm. I loved that this installment was SUPER action packed and slowly revealed more about Ursula's background. She realized she could do things she never knew how and is slowly unraveling the mystery behind her past. I cannot wait for the next installment to dive deeper into the mystery that is Ursula! Oh and as a side note, I absolutely LOVE Bael!!

I really enjoyed the second book in this series even better than the first. I loved the relationship between Bael and Ursula and the action was awesome. The world the author created made this a fast paced exciting read. Hurry up with the next book...I am so looking forward to seeing what happens next!

As usual I love this story, it's always so full of adventure and romance. You can tell just how much the Lord and Ursula like each other but they keep acting like they don't.

I enjoyed every minute. An excellent blend of action, suspense, and my favorite sexual tension/sensuality. I've purchased book 2, but I'm eager for book 3 to be written.

A great sequel! Takes place in Nyxobas' realm. Fast read with many twists and turns. You must read book 1 or you won't know what is going on. Can't wait for book 3.

Infernal magic & nocturnal magic were awesome can't wait for the third installment:) just hate how you have to wait for the third book :(

Magic and God's. Toss in an angry incubus and it's bound to be a party. This book leaves you wondering if the fallen Bael, really gets to keep the girl
