On Being A Doctor

Synopsis

Medical professionals will gain valuable and graphic insight into the sometimes joyous and sometimes painful sides of medicine. The stories, essays, and poems in this collection will provide commentary, exposition, and occasionally constructive criticism. They reflect the joy and pathos, humor and tears, life and death, challenge and opportunity of being a doctor. They always center on the hope and dedication physicians will find in their service to humanity.

Customer Reviews

I thought it is a very sensitive written book. I am still in the midst of reading it and finding it very meaningful. I worked in health care for over 25 years. I actually worked at the same hospital where Dr La Combe was serving as Chief Resident. We all knew he was a caring physician and the book just proved that.

amazing stories.Dr. michael LaCombe pulls off another great work. Other similar pieces from Ann. Intern. Med. are absent like "Ad Libitum". go ahead & buy it .u won't regret it.
