Kelley Puckett has been writing comics for far too long, by general consensus. He has worked on such series as BATMAN ADVENTURES, BATGIRL and KINETIC and is currently writing SUPERGIRL for DC Comics.

Great book recommend if your enjoyed the animated series.

Got it yesterday!! Christmas in June:)

I loved these books as a young reader, and the art stands up over time. This book is a continuation of the first collection and the reader will encounter a variety of colorful characters here. In many ways, Batman: The Animated Series showed me a wider set of characters than I knew existed in the DC universe. Memorable artwork and very readable stories.

I'm so happy to see batman adventures finally collected. These are the best batman stories I've ever read. Mike parobeck is a highly underrated artist who died too young. He should be up there with the likes of darwyn cooke. I just wish it was hard bound with glossy pages. It deserves an archive level of quality.
