## Customer Reviews

Was a gift and the person thought it was funny.

Pretty meh. A few clever ones, but most of the good ones are in his standup act. I wouldn't bother with it if I were you.

While searching for the "perfect" Christmas present for my Northern Midwest sister, I remembered her delightful comments when she first heard Jeff Foxworthy's "Blue Collar" tape during a recent visit. So ... I purchased ALL (yes, he has three) of his dictionaries as well as a "Redneck Christmas Favorites!" This combination was all she needed to "spice-up" her often gray and snowy-cold Christmas festivities!! Seriously, Foxworthy's books make an eclectic, but interesting coffee-table books that will keep your guests in "stiches" as they peruse the English language they thought they knew?!

They are not your typical Foxworthy type redneck jokes. It picks fun at the funny way some people say things.

I purchased this book for my husband who loves Jeff Foxworthy. This is a funny book for any one who is a fan of him and his comedy act. We are from Alabama, and we use almost all of these funny expressions.

A nice addition to a red-neck library.

Got this as a white elephant gift for my brother in law, ended up quoting it all of Christmas and still do.

I bought this for my nephew and I expected it to be more young person friendly. Not something to buy a young person that likes Jeff.
