Laughing Elephant houses one of the world's finest book and ephemera collections focusing on children's and juvenile art.

I bought these for DIY project that I am working on...I have a very, very old suitcase that I'm going to make into a table and I'm putting travel stickers all over the suitcase... the stickers are wonderful and they make the suitcase stand out it is absolutely gorgeous really, if I must say so myself! I would definitely buy the stickers again...

I used these to decorate a travel trunk displayed in guest room. Not sure how well they would stay on a suitcase you used for frequent travel. Good quality labels.

the labels look great but unfortunately they do not stick to the texture of the new luggage. My daughter is looking forward to putting them on her luggage.

So cool, and perfect for my niece's vintage suitcase. Colorful and big!

As described.

Used these on a old suitcase. They looked great after a little sanding around the edges and some modpodge.

Cool

My suitcase is beautiful now!
