I had originally bought the DK Eyewitness Guide to Normandy, but THIS is the book to buy (and I've bought it since). It hasn't been revised for a few years so isn't entirely up to date on activities, restaurants, and hotels (which is what stops my giving it 5 stars), but for touring the area; visiting

landmarks, cities, and towns; and for the section on the D-Day Landing beaches alone, this is a great book to have. It is more readable than the Michelin Green guide as well.

older book, but still good
