Reading Across The Disciplines (7th Edition)

Synopsis

For anyone interested in improving his/her reading and thinking skills. **Improve reading and thinking abilities through targeted skill instruction and extensive guided practice across many academic disciplines.** **Reading Across the Disciplines** teaches essential college reading skills and guides their application in each of 10 academic disciplines and career fields. Kathleen McWhorter helps readers expand their vocabulary and comprehension, practice methods for reading and thinking critically, and enhance their ability to make inferences. The 7th Edition also introduces discipline-specific reading strategies and features more than 20 new readings **selected from college textbooks as well as from books, periodicals, popular magazines, newspapers, and Internet sources** to motivate readers and demonstrate the relevance to their daily lives. **Available to package with Reading Across the Disciplines, 7th Edition (Books a la Carte loose-leaf edition), MyLab Reading** is an online homework, tutorial, and assessment program designed to work in tandem with the text to engage students and improve results. MyLab Reading is ideal for courses requiring additional reading skills practice and assessment. **Note:** You are purchasing a standalone product; MyLab does not come packaged with this content. Students, if interested in purchasing both the Books a la Carte loose-leaf edition of the text and MyLab, ask your instructor for the correct package ISBN and Course ID.
