Customer Reviews

Nice illustrations but the story isn't very good. It doesn't make sense, is disjointed and in places is grammatically incorrect. Unfortunately, it's very difficult to find high quality books for Muslim kids.

Great book! Fun and positive!

My daughter loved it so much we had to read it again. The pictures are a great addition to the lessons it teaches

We love this book! It's nice to have something for them to relate to. The pictures are beautiful and the writing is simple yet important. They can relate to the young girl in the book. It helps them to see why it's important to say Alhamdulihah. Thank you for this book!!

My daughter loved it, especially since there is a Kitty ;)

The pictures are beautiful and my little one likes to follow the kitty!

Beautiful book!
