Tui T. Sutherland and Kari Sutherland are sisters and best friends. They grew up in South America, traveling a lot and moving several times (and they're still only about 80 percent certain that their parents weren't secret agents). Kari now lives in New Jersey, while Tui lives in Boston, but they use every excuse they can to see each other (like, say, writing a book together). --This text refers to the Audio CD edition.

My niece loves this book !

It was great to read this before seeing the movie!

This book is way more than I expected! It will be a perfect chapter book for my 9 year old who's obsessed with this movie!

My daughter is high on the Moana bus, she loved this book, much like the movie. Recommend for all girls to read. Disney nailed this hero finally!

My 7 year old enjoyed. Nice quality hard cover.

My 8 year old daughter loves this book - she has read it many times.

Pretty book. My grand daughters loved it. They love the stories and the Tattoos that came in the book.

I bought this book not realizing it was a chapter book, with no pictures. I bought it for my 3 yr old so it will not work for her at this time. It would cost me almost as much as what I paid for it to return it, so I am hoping I can gift it this Christmas. It's a beautiful book.
