Foghorn Outdoors Maine Hiking: Day Hikes, Kid-Friendly Trails, And Backpacking Treks

Synopsis

Covering the most popular Maine hiking destinations, this is the hiker's guide to finding the best trails throughout the state. Foghorn Outdoors Maine Hiking guides hikers through the Appalachian chain, the White Mountain National Forest, Baxter State Park, Acadia National Park, and the North Woods, along with hikes through rural trails and remote, lush hills undiscovered by tourists. Families, day-trippers, and seasoned hikers looking for a change of pace will all find the perfect trail among the options selected by outdoor enthusiast and hiking expert Michael Lanza. This guidebook provides updated, easy-to-use region and trail maps, photographs and illustrations, complete information on fees, permits, user groups, contacts, and driving directions for every possible hike. Foghorn Outdoors Maine Hiking has the details on the best available hiking in Maine.

Book Information

Series: Foghorn Outdoors

Publisher: Rick Steves (April 22, 2005)

Language: English

ISBN-10: 1566919347

ISBN-13: 978-1566919340

Product Dimensions: 8.5 x 5.5 x 0.6 inches

Shipping Weight: 8.8 ounces

Average Customer Review: 4.6 out of 5 stars 3 customer reviews

Best Sellers Rank: #1,368,306 in Books (See Top 100 in Books) #21 in [Books > Travel > United States > Maine](#) #868 in [Books > Sports & Outdoors > Nature Travel > Ecotourism](#) #1057 in [Books > Travel > United States > Northeast > New England](#)

Customer Reviews

"Meticulously researched and smartly written, Foghorn Outdoors offers some of the best recreation guides around. The books provide exceptionally reliable information on each location and activity, while emphasizing sensible, low-impact enjoyment of the outdoors."

Offers quite a variety of hikes in Maine. Could use perhaps some more detailed maps. Have not got a chance to use yet as I am planning a trip for September 2007.

This book offers great introduction to some of the best trails in Acadia. I used several

recommendations from this book for my fall trip to Acadia and the trails were in deed quite awesome. Do get the book's recommended Acadia hiking maps, you can buy them in Acadia National Park's Hulls Cove Visitor Center. The detailed directions to the trail heads, whether there is a fee, whether pets are allowed, etc, are all useful information. Although not explicitly, it also lists some really good rainy day alternatives (unlike the granite mountains, the gravel carriage roads are good regardless of weather). Overall the book was especially useful to my trip. Although there are some long ones that may take 8-9 hours, Acadia trails are essentially all day hikes (or combination of different hikes).but don't let the low mileage fool you, some of these short granite mountain trails are very challenging.

I'm a native of Portland, and my friend (who's not originally from Maine) and I found this guide really helpful. Though I know the state well, I don't know all the little things about certain trails, such as whether certain trails allow dogs (important to my friend) or where a good place is to park the car (important to me, since I'm the one driving the two of us to these places). This guide tells you all that, and about all the hidden parking/entrance fees of certain trails. Highly recommended!
