# The Feasts Of Israel

## Synopsis

Passover Feast of Unleavened Bread Feast of First Fruits \* Feast of Pentecost Feast of Trumpets \* Day of Atonement \* Feast of Tabernacles The Feasts of Israel, set by God, are not only commemorative in a historical context, but are also prophetic. The first three feasts in the 1st month point to the Messiah's First Coming; the last three feasts in the 7th month, to His Second Coming. The middle feast highlights the Church, in more ways than is generally recognized. This briefing reveals the rich background of these feasts with many surprises for the Biblical believer, and yet only scratches the surface. The first half of this briefing pack is taught by Chuck Missler with the later half taught by Dan Stolebarger.

## Customer Reviews

Excellent book provided a lot of great info which agrees with a lot of things I have been studying this past 15 months. Well written & easy to understand. The book gives a lot of data that explains

things not easily found in the Bible but are important.

For a Gentile who knows relatively little about the Jewish feasts and customs, Missler's book opened my eyes to some of the deeper meanings of New Testament scripture. If Jews would only take the time to read about the life and teachings of Jesus in the New Testament, they would discover their Messiah. An interesting, informative read.

I like Chuck Missler's studies. He is entertaining as well as informing. This is one of many Feast studies I have and the topic gets more fascinating every time I study it, and this had more interesting information to build on. I like his honest approach; the only hard part is that he speaks so fast! I'm using it to teach a junior high class at church and it is really eye opening for them!

I enjoyed reading this book and getting familiar with the Holy feasts of Israel. As it reminds us what they symbolize. Amazing to me how every single Jewish Holiday is a reminder of what God did, for them, and then us, with future events still pending. I praise his Holy wonderful awesome name! The Name of Y'SHUA! The lamb of God that came to free us from the bondage of sin. Thank You JESUS!

Great historical information by Dr. Missler on the beginnings of the Catholic Church and why Christians have not followed and celebrated the Feasts. Also provides deep insight into the Feasts of Israel and why Christians should be study them carefully and understand them. I will be rereading this book. Book contains much information on reasons for Christian hatred of the Jews. I believe every Christian should study this book.....time is short!

I am so interested in my Jewish heritage as a Christian and this book was enlightening and helped me understand how these feasts are types and shadows of Christ! I do recommend anyone interested in their Jewish roots to read it!

I'm teaching a series on the Feasts of Israel and in doing research I was led to this book. Chuck breaks things down so everyone who wants to can understand. I highly recommend this bookm

Chuck Missler is incredibly wise so I got this book hoping to have a better understanding of Jewish festivals from a Christian perspective. This was definitely a good choice. It's a quick read but packed

with information. Definitely worth reading if you need a biblical view of Jewish festivals and how they point to Christ.
