Customer Reviews

Wonderful gift for members of my family. Over the holidays we took out a card a day and read it to each other.

I purchased them for my daughter, for her business. They come in very handy for what she is doing. The words on these cards can be very useful. I picked a card and the word was "UNDERSTAND", that word was perfect for me. I'm using the word everyday as a word that I can refer back to whether it is for me or someone else. I kept that word tucked in my head for over a year and I found a great improvement in how I viewed people. Should I have had small children in my home, I feel that this would be a good teaching mechanism.

Cool idea! Good quality cards.

This is my second purchase as I bought 2 sets initially. (One for me and another for a friend's birthday.) We both loved them so much and they are such a conversation piece (plus they just make you think about them all day) that I ordered 2 more sets to give to two other special friends for their upcoming birthdays. These cards make a great gift - for yourself and for your friends who are into positive, spiritual messages.

I use this product as gifts to my friends...

I love these little angel cards. I bought them for gifts and I'm sure they will love them too. I've had my set for 35 yrs!

Bought these for a gift, I enjoy the ones I have. It was a good gift for the person who already has everything.

Angel cards are the best thing ever.
