A firm foundation for understanding empowerment-focused social work and implementing, evaluating, and stabilizing change. This widely popular text provides a firm foundation for understanding empowerment-based generalist social work, including the practice processes related to constructing and maintaining empowering client-worker relationships through effective communication, solution-oriented processes for conducting assessment and developing a plan of action, and ideas and activities for following through with effective intervention and evaluation. It demonstrates a progressive practice approach that is grounded in social work research, reflective of social work values, sensitive to client diversity, and applicable to working with any level of client system including individuals, families, groups, organizations, and communities. This text gives social workers a method that fully realizes core social work values, respects client competence, and activates client resources within the context of their lives, beginning with engaging clients as partners and continuing with assessing, intervening, and evaluating from a strengths perspective. Thoroughly updated throughout, the book includes relevant information on contemporary trends in social work practice, revisions of the popular critical thinking questions consistent with the Council on Social Work Education's (CSWE) current core competencies and practice behaviors, and new links to e-resources to promote student learning and assessment. Invigorate learning with the Enhanced Pearson eText The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features: Embedded videos . Karla Krogsrud Miley, A.M., ACSW, retired in 2009 from her appointment as professor and Chair of the Department of Social, Behavioral, and Educational Studies at Black Hawk College in Moline, Illinois, where she taught life span psychology, introductory psychology, and introductory social work. She continues to teach human behavior theory as an adjunct professor for the St. Ambrose University MSW program in Davenport, Iowa. A graduate of the University of Chicago, School of Social Service Administration, and a licensed social worker in Illinois, Miley has experience in a variety of fields of practice, including school social work and aging services. She has extensive experience in facilitating workshops and conference sessions on generalist social work and empowerment and social justice. She has served on the editorial board of *Social Work Education* and on the *Social Work Advisory Board* for Pearson Education. Professor Miley is a coauthor of *Social Work: An Empowering Profession* (8th edition), co-editor of *Pathways to Power: Reading in Contextual Social Work Practice*, and works collaboratively with Michael O'Melia and Brenda DuBois in writing *Generalist Social Work Practice: An Empowering Approach* (8th edition, forthcoming). Michael O'Melia is a retired Associate Professor in the St. Ambrose University MSW Program, Davenport, Iowa. He specialized in teaching clinical social work with expertise in generalist, collaborative, and anti-oppressive methods. O'Melia is a Licensed Clinical Social Worker in Illinois, working for over forty years with individuals, couples, families and small groups in child welfare, delinquency prevention, family therapy, and school-based practice settings. In addition to co-authoring *Generalist Social Work Practice: An Empowering Approach*, O'Melia is co-editor of *Pathways to Power: Reading in Contextual Social Work Practice*. Functioning as a community trainer and program consultant, O'Melia focuses on developing culturally competent practices, working with resistant and mandated clients, and implementing strength-based clinical strategies. He has been a member of the *Social Work Advisory Board* for Pearson Education, serves on the *Editorial Advisory Board* of the *Rumanian Social Work Review*, and contributes as a reviewer to the *Journal of Progressive Human Services*. Brenda DuBois, PhD, MSW, professor emerita, was the director of the

graduate School of Social work at St. Ambrose University, Davenport, Iowa. A graduate of the University of Iowa (social work) and Illinois State University (Higher Education Administration), Dr. DuBois has been a social work educator for 35 years, in both BSW and MSW programs, with teaching specialties in generalist practice, social welfare history and policy, social justice, empowerment, and ethics. She has served on several community boards and service delivery planning groups. Additionally, as a Licensed Clinical Social Worker in Illinois she has extensive experience in facilitating workshops, staff development training, and conference sessions on generalist social work, empowerment social work, social justice, and social work ethics. Dr. DuBois is a coauthor with Karla Miley of Social Work: An Empowering Profession (8th edition) and works collaboratively with Karla Miley and Michael O'â„¢Melia in writing Generalist Social Work Practice: An Empowering Approach (8th edition, forthcoming).

This book was in good shape and only written in slightly in pencil so that was not a problem. The material is good for it's purpose. My only issue and reason for giving it 3 stars is because it did not come with the MySearchLab with eText -- Access Card Package which is what makes this book so pricey. I was very disappointed with that since I was basically robbed of a good portion of money unlike a classmate that only paid \$40 for hers knowing she was not getting the MySearchLab. Since I'm working 40 hours a week and going to school full-time I did not have the energy to fight about this issue, but wanted to make it known that this was a problem I came across. Hopefully my next rental will be a better experience.

There was more writing and highlighting on some of the pages than I had expected there to be from the description. The wear of the book isn't too bad. I am over all okay with the quality of the book. It did come a little later than I had hoped it would but still within enough time that I didn't fall behind on my reading for my class.

This does not come with the access key for the videos and I have not been able to get an answer from about what to do. I have to spend an extra \$60 to get it through Pearson.

so very expensive. why is a thin paperback of less than 500 pages over \$125 new. the paperback cover itself is very flimsy, as well. not commenting on the contents at this point, it just seems insane that this is so expensive.

I've rent this book for a whole semester. When I'd like to buy it, the price I have to pay is more than the marker price!!

This is my bible of SW and I intend to learn it well.

Item was damaged and missing pages.

Comprehensive book, but, a bit expensive. I needed this for my work.
