## Customer Reviews

Wonderful stories Enjoy books about mail order brides. I really like reading books by Christian Michael. Hope others enjoy them to.

Books 1 and 5, Cowboy for Christmas and A Christmas Orphan, respectively, are identical stories. Not similar plots and storylines, word for word identical. Same story, different title. So right there what you think you are getting decreases by one book. My second criticism is that Book 3, The Christmas Cowboy, has quite a bit of foul language and more uses of suggestive dialogue than could be considered appropriate in a "clean" story. The rest of the stories were predictable, but sweet.

Interesting book but had too many stories that were almost alike that reading became boring. There were approximately three to four really good stories that kept me reading. Sorry to say that most were too repetitive in subject matter. Especially the ones with the bride to be already pregnant.

I really loved all the great stories in this book. I could not put the book down till I finished reading all of them. Thank you so very much for writing all of these wonderful stories.

This collection of stories were both sweet and heartwarming with just enough angst and anger to keep you guessing and rooting for that happy ending.

Very good.

great stories

Stories were fun to read, not much substance, but the editing was terrible. Mis-spelled words, mis-used words, wrong names used, etc. If he doesn't proof read for himself, he needs to hire someone.
